Division Admin. Department Fire Services

Vehicle Assigned to: David Harrell

Vehicle Make Ford Model Bronco

Year 1993 Mileage 257714 Property # 1108012

Round trip mileage driven from home to work and back 10

1. List the type(s) of after hours usage. Be specific (i.e. emergency road repairs; public meetings).
Response to emergency calls, attendance at public meetings and required training programs.

2. Are there specialized markings on your vehicle? If so, what do they say? (i.e. Public Works)
Fire Department markings (specialized paint scheme, decals and reflective stripping.
Sumter County Fire Rescue

3. Is the vehicle you are currently assigned equipped with specialized equipment that is affixed to vehicle? If so what is the equipment? What is it needed for?
Light bar, two-way radio, siren, flashlight and fire extinguisher

4. Please document any after hour usage for previous three months and any usage in the current month. Be as specific as possible (include date, time, mileage driven, purpose of the usage, etc.) Attach additional sheets if needed.
5-18 emergency calls, 2 training sessions, 1 special meeting.

5. Please include any comments or exceptions to the information that you feel may be vital to your justification.

The assigned vehicle is available for other SCFR personnel assigned to Station 12 to use for travel to required training as well as meetings. The urgent nature of emergency calls and the fact that Dist. Chief Harrell is a supervisor makes it Necessary for response directly to the emergency scene. Additionally, after hours use of this vehicle will give SCFR a greater depth of coverage when more than one emergency call is occurring at the same time in the same area.
